

The Federation of Cambridge Residents Associations invite you to its 2021 AGM

Supersize Cambridge

Cambridge is growing fast – but is it sustainable?

Professor David Rogers

Professor of Ecology at the University of Oxford

With a panel from different parts of the city

- What will be the impact of the ‘growth agenda’ on our river, green spaces, communities, city centre and quality of life?
- What are the implications for the future of our city?

Thursday 7 th October 2021, 6:00 – 7:30 pm
